MATTERS BEFORE COUNCIL  
6 MAY 2011**

**MEETING WITH SARS: E-FLING**

An urgent meeting was held by the LSSA with SARS to discuss the problems relating to the e-filing system.

We have been advised that the turnaround time in respect of transfer duty and VAT submissions is 10 working days. SARS is aware of outstanding matters, to which they are giving urgent attention. It is expected that matters which have been lodged and are outstanding for a period of longer than 10 days will be resolved by 10 May 2011.

SARS seeks to improve relationships with the role players, particularly the attorneys' profession, by having quarterly engagement meetings with the LSSA and it is expected that problems being experienced by the profession will be discussed and dealt with at such meetings.

SARS has also undertaken to provide training in the use of e-filing. Dates will be provided shortly.
